Hardisty, Hardisty, Alberta

Attractive building in the heart of downtown Hardisty. This 1927 two story building could be a historical site. The main level has main street frontage with over 2130 sq ft of retail space. The upper level has the same sq footage in living area. In the last few years the interior has received a few renovations such as new paint and new flooring. Upstairs of the building is --2130 sq ft of living space consisting of 4 bedrooms, living room and 2 bathrooms. Beaming with Character and old charm. This would be an exceptional opportunity to have the upstairs level as a rental property or a place for you to live and rent out the bottom retail level. Only your imagination limits the possibilities for this building. New agreement could be negotiated with current tenant .Furnace replaced two years ago and newer hot water tank on both levels not long ago. Tin roof with coating protection done in the summer of 2023

Built in 1927
