Residential on 0.06 Acres

Rangeview, Calgary, Alberta

Here's your chance to get ahead of the curve in one of southeast Calgary's most forward-thinking new communities. Located in RANGEVIEW BY GENSTAR, this brand-new Alexis model from Homes by Avi is a REAR-LANED DUPLEX designed with the modern buyer in mind. At just under 1,500 square feet, this 3-bedroom, 2.5-bath home packs serious punch in terms of style, upgrades, and long-term value.

Inside, the layout feels fresh and functional, with a central kitchen that anchors the main floor—complete with quartz countertops, a chimney-style hood fan, BUILT-IN MICROWAVE, 42" upper cabinets, and a SILGRANITE UNDERMOUNT SINK. LVP flooring adds warmth and durability, while a REAR DECK off the dining nook extends your living space outdoors. Upstairs, three well-sized bedrooms (including a spacious primary with walk-in closet and ensuite) and second-floor laundry check all the boxes for comfortable daily living.

But it's the thoughtful upgrades that really set this one apart: a separate side entrance, 9" foundation walls, 200 amp electrical panel, an 80-GALLON HOT WATER TANK, and a solar conduit rough-in from the attic to the mechanical room. EV charger rough-in? Check. Gas line to stove and BBQ? Already done. There's even a SECOND LAUNDRY ROUGH-IN, bathroom rough-in,

and WET BAR/UTILITY SINK ROUGH-IN in the basementâ€”perfect for future development or an investor-minded setup.

Possession is available this summer, just in time to enjoy everything Rangeview has to offer. This is a community designed around connectionâ€”featuring walkable streetscapes, future schools, planned parks, and beautiful tree-canopied pathways that link homes to greenspaces.

With FRONT YARD LANDSCAPING INCLUDED and a rear gravel parking pad in place, this is a rare opportunity to secure a move-in ready home with future flexibility built in. Whether you're a savvy investor or a first-time buyer who wants more than just the basics, 236 Rangeview Way SE delivers.
