4 Bedroom, 1.00 Bathroom, 911 sqft

Residential on 0.11 Acres

Westminster, Lethbridge, Alberta

This 4 bedroom, 1 bathroom home has been lovingly updated over the years, with the most recent updates being the roof (2019), hot water tank (2024), bathroom (2024), windows (upper bedrooms & bathroom 2025, others prior years), doors (2023), deck (2022), and carpet downstairs (2023).

The floor plan allows for natural light to flood the main living area, creating an inviting atmosphere. French doors off the dining room allow for a nice view of the yard during family dinners! This adorable home is situated on a large lot, allowing plenty of space for a large garage (with city approval) in the future and you'll still have a very good size yard. This great starter home is within walking distance to schools, parks, swimming and shopping!
