Don't miss this investment opportunity!

Located in busy downtown Sundre, this solid
5334.76 sq ft, fireproof cinder brick reinforced
with rebar building offers a number of possible
opportunities for the business owner or
investor. The current owner has an established
business in the entire building and is willing to,
relocate, lease back either the entire building
or

downsize their business into half of the building. This offers an opportunity either to establish a business in half the building (approximately 2650 sq ft) and have income from the other bay, or lease back the entire building to earn a respectable return on your investment. The growing town of Sundre receives thousands of visitors a year (primarily in summer) and is a terrific opportunity for any business. Start the next chapter for your business or launch a new investment, in this prime location, by calling your commercial Realtor® or the listing agent to arrange a viewing appointment today. Do not disturb the current business, owner or employees, with inquiries. Viewings are to be by appointment only.
