Belmont, Calgary, Alberta

This house is a total gem in Belmont with over 3200sqft of developed space and no HOA fees, backing onto a quiet path that leads to a park just a few doors down, and loaded with features that make everyday living feel just a little more awesome. It's south-facing, which means your home is flooded with sunshine all day, and the solar panels help you save over 50% on electricity—hello, lower bills. Step inside and you're greeted by custom built-in shelving in the entry (finally, a place to drop your keys that actually looks good). The vinyl plank flooring throughout the main level is stylish, waterproof, and made to handle real life. There's a big office for your work-from-home days and a half bath that's straight out of a design magazine with trendy wallpaper. The kitchen is a dream—9-foot ceilings, cabinets that go all the way up (no wasted space), an extra deep walk-in pantry, and shiny stainless steel appliances. Thanks to the triple-pane windows, you get tons of natural light without sacrificing energy efficiency. Upstairs, you'll find FOUR bedrooms all on one floor (a rare find), plus a big bonus room, a full bathroom, and a primary suite that checks all the boxes—dual sinks, deep soaker tub, tiled shower, and a walk-in closet that might just make you want to go shopping. But wait—it gets better. The third-floor loft is over 350 square feet of flex space perfection, complete with its own half bath and a balcony with downtown views. Whether it's a games room, teen hangout,

or chill-out zone, itâ€™s got major â€œcool factor.â€• Downstairs, thereâ€™s another big living space, a wet bar area with a sink and room for a beverage fridge, a spacious bedroom, and a mechanical room with all the efficient upgradesâ€”HRV system, high-efficiency furnace, water softenerâ€”you name it. The whole home is air conditioned, meticulously cared for, and absolutely move-in ready. This oneâ€™s a killer deal in Belmontâ€”fun, functional, and full of features.
