Builders, developers, and savvy investors â€“
THIS is the opportunity youâ€™ve been
waiting for. All bets are on
Lynnwoodâ€™Ogden being the NEW trending
inner-city SE community, and I believe it!

Build on this affordable R-CG lot with
Development Permit (DP) approved and
Demolition and Building Permit in progress.
Construction should start this August or as
soon as possible. Take advantage of this
yearâ€™s construction season and build a
gorgeous new infill with a legal basement suite
in this historic community.

With easy access to downtown or anywhere in
Calgary via Deerfoot, Glenmore, or Stoney
Trail, the connectivity Ogden offers is
unmatched. Youâ€™re also close to river
pathways, walking trails, off-leash dog parks,
playgrounds, public and catholic schools,
churches, express bus routes, and the highly
anticipated Green Line C-Train, bringing two
new stations to the area in 2027.

Youâ€™ll love the beautiful mature tree
canopy, a true community vibe, and rare
features like a community skating rink, garden
plots, and an OUTDOOR POOL. Itâ€™s a
tight-knit neighbourhood with a mix of
charming older homes and a wave of
brand-new infills going upâ€”plus revitalized
shops, groceries, cafÃ©s, and essentials all
nearby. Clinics, fast food, and everyday

conveniences are just minutes away, making daily life easy and walkable.

There's still time to get in before lot values rise even further. Ogden is a hub of growth and revitalization, with the redevelopment of Ogden Road and George Moss Park underway—featuring tennis courts, baseball fields, and Calgary's first-ever pump track and skatepark.

Best of all, this lot is on a quiet street, close to a school, across from a seniors' residence, and neighbouring a locally owned daycare.
