Hereâ€™s your opportunity to own a lovingly maintained home in the desirable community of Heritage Hills â€” offering a walkout basement, mountain views, and a long list of upgraded features that truly set it apart. Step inside and youâ€™ll appreciate the neutral color palette, knockdown ceilings, and a thoughtful layout that balances everyday comfort with style. The main floor features hardwood and tile flooring, a spacious tile entry, and a bright open-concept design with 9â€™ ceilings throughout.

The kitchen is a chefâ€™s dream â€” complete with a gas stove, island with eat-up bar, corner pantry, and OTR microwave â€” all overlooking the great room and escarpment to the west. Just off the kitchen is a spacious dining nook, which leads onto the sunny southwest-facing deck with gas BBQ outlet â€” perfect for evening relaxation or entertaining. Upstairs, the primary retreat is a highlight â€” featuring a ceiling fan, walk-in closet, and a luxurious 5-piece ensuite with double sinks, a jetted soaker tub, and a separate shower with subway tile surround. 2 additional good sized bedrooms and a full 4 pce bath complete this level.

The fully finished walkout basement offers a

dedicated home theatre space, rough-in for a future bathroom, and loads of extra storage.
