This charming "Cottage" by Cedar Creek, built in 2017, is a well-designed, four-season "Destination" home located on its own lot. The spacious bedroom accommodates a king-size bed and includes a full bathroom along with ample storage. The kitchen is equipped with a standard-sized fridge, an oven, and a dishwasher that have never been used, as well as a new over-the-range microwave. This home has been meticulously maintained and features vinyl flooring, carpeting, and Corian countertops. While there are hookups for a washer and dryer in the bedroom, the machines are not included; however, the resort does provide a laundry facility.

This home also includes all the furniture, gas fireplace, and TV.

Recently, the seller added a 16'™ x 14'™ pressure-treated deck with aluminum railing to the side of the home, enhancing the appeal of resort-style living. An awning provides shade

and extra protection, making the space even more enjoyable.

For just \$300 a month, the HOA fee covers all the amenities offered by the resort, as well as water, sewer, and garbage. At the back of the home, there's an 8â€™™ x 10â€™™ Costco shed, perfect for storing seasonal items.

Lake Macgregor Country Estate is a fantastic year-round community suitable for all ages and is the ideal getaway, just two hours from Calgary and one hour from Lethbridge. The resort features green spaces, tennis courts, a playground, and a clubhouse that includes a gym, a games room for children, a conference room, a lounge, a bar area, and boat storage.
