MAYBE IT'S THE SOUTHERN
LIGHTâ€"OR HOW THE KITCHEN FLOWS
INTO THE REAR PATIOâ€"BUT
EVERYTHING ABOUT THIS HOME JUST
WORKS. The Magnolia model at Lavender Hill
in Rockland Park delivers a smart layout,
timeless finishes, and a sense of space that
fits real life.

The curb appeal is crisp and modern, with a SOUTH-FACING FRONT that keeps the main living areas bright throughout the day. Built into the natural slope of the hill, the design gives you a ground-level TANDEM DOUBLE GARAGE below and a second floor LIVING AREA THAT WALKS-OUT TO GRADEâ€"something rarely found in a townhome. Inside, warm flooring and a neutral palette keep the focus on light and flow. The PRIVATE FRONT ENTRYâ€"rare for attached homesâ€"sets the tone for a plan that values function as much as style.

On the main floor, the living, dining, and kitchen connect naturally. Toasted-almond LVP runs wall to wall, grounding the space in a calm, durable texture. The kitchen pairs designer QUARTZ COUNTERS with a modern subway tile backsplash, and a CENTRAL ISLAND that works as prep space, command centre, and casual dining spot. A rear entry door leads directly to BACK PATIOâ€"perfect for grilling, morning coffee, or catching the evening light. Between the living room and

stairs, a wide pocket of space adds a smart spot for a desk, bookshelf, or bar cart without interrupting flow.

Upstairs, three bedrooms maximize privacy and efficiency. The PRIMARY BEDROOM includes an ENSUITE and WALK-IN CLOSET, while two secondary bedrooms, a main bath, and UPPER-FLOOR LAUNDRY handle the rest of daily life without wasted steps.

ROCKLAND PARK amplifies it all: a northwest community designed around connection, outdoor living, and everyday convenience. Scenic pathways link to parks and playgrounds, while plans for a RESIDENTS-ONLY CLUBHOUSE include an OUTDOOR POOL, FITNESS CENTRE, and courts. With mountain views to the west and quick access to both Crowchild and Stoney Trail, it's a community that balances retreat and reach in equal measure.

Possession is ready for the end of Novemberâ€"a fresh start, in a brand-new home that makes practical look good. Book your showing today! • PLEASE NOTE: Photos are Virtual Renderings â€" fit and finish may differ on finished spec home. Interior selections and floorplans shown in photos.
