Here's your chance to enjoy an extensively updated 4-bed, 2.5-bath bungalow with 1950 SF of living space, oversized double detached garage, and large fenced lot in sought-after, inner-city nature haven of Wildwood! Over the past 5.5 years, many upgrades have been completed. They include a full main-floor bathroom renovation plus the addition of a main-floor guest bathroom, the addition of a primary bedroom walk-in closet, multiple new windows, hardwood refinishing, a new hot water tank, and a full basement makeover. Additionally, the sunny lower level is cleverly designed as a welcoming family recreation hub complete with an expansive recreation room, convenient kitchenette, 4th bedroom with egress window, and full bathroom. Alternatively, it could be used as an appealing basement suite (illegal) with a private entrance and shared laundry room. Upstairs, on the main floor, you'll enjoy sunlit living and dining rooms, 3 bedrooms, 1.5 bathrooms, and a newer kitchen with upper cabinets to the ceiling and quartz countertops. The dining room features French doors that open to the side deck, which wraps around to the backyard, perfect for alfresco summer dining. The yard is large, private, and charming with extensive flowerbeds and landscaping. A bespoke interlocking stone front walkway, fully fenced backyard, double detached garage, and additional 8 x 4 storage shed all add to the outdoor appeal and enjoyment of this home. The furnace and

roofing were both replaced in 2016. Moreover, you're in Wildwood!
